Friends You Haven't Met Yet – Regional Alumni Networks

Wouldn't it be nice to know that no matter where you lived – whether you moved for your job, your spouse's, retirement, or some other reason – you automatically had a group of people you could socialize and network with? Maybe you haven't met them yet, but you'd have something in common with them – you all attended Bryant University.

That's the purpose behind Bryant's Regional Area Networks (RANs). The RANs are intended to bring alumni together for fun, friendship, and networking opportunities.

Where are you?

You can find Bryant University alumni living in all 50 states, in Puerto Rico, and in 68 foreign countries. Bryant's National Alumni Council and alumni relations staff

ture in place, the University can better coordinate activities among the alumni relations, admission, and career services offices by looking for opportunities to promote Bryant and support alumni in the region.

For example, alumni in England helped to staff a college/university admission fair representing Bryant

Lifelong relationships

"The National Alumni Council is committed to ensuring that Bryant graduates enjoy a lifelong relationship with the University," said Buzz Waltman '76, president of both the Alumni Association and the National Alumni Council. "The potential sup-

have established RANs in a number of New England states and are planning to expand across the country and around the globe.

"At a minimum, we are looking to recruit one point person per state or country where alumni live and work," said Robin Warde, director of alumni relations.

RANs are in formation in Colorado, Florida, Illinois, Minnesota, North Carolina, Washington D.C., India, Pakistan, Puerto Rico, and the United Kingdom.

The Regional Alumni Network steering committees – the group that will oversee and plan events and gatherings – will be formed by alumni volunteers. With this struc-

helped to staff a college/university admission fair representing Bryant in Covent Garden. Plans are in place for future networking, too. In January of 2007, when the new Sophomore International Experience trip (a study abroad program for Bryant sophomores) lands in London, current students and faculty will be greeted by a gathering of Bryant alumni living in the area. And next summer, Career Services is launching a new joint academic and internship program – Bryant University in London – that will tap into alumni living and working in the U.K.

In areas with a large alumni population like Massachusetts and Connecticut, the RANs already host a variety of events each year including community service, social, and athletic events. These play an important role in keeping alumni informed about and engaged with Bryant. You can access a schedule of events by visiting Bryant's web site at www.bryant.edu/

Alumni Association and the National Alumni Council. "The potential support and camaraderie offered by the RANs can be just as valuable as the education received on campus."

If you are interested in learning more about how to organize a regional network in your area, serving on a steering committee, or just want to be kept informed of what's happening in your area, contact Robin Warde in the Office of Alumni Relations at Bryant via email rwarde@bryant.edu or phone (401) 232-6253. In the United States, dial toll-free (877) 353-5667.

Jeffrey Mortimer '98 and his father Bob enjoy a RAN event at the Coliseum Club in the Hartford Civic Center when the Bryant Bulldogs men's basketball team played the Division I UCONN Huskies on November 6.

MAJOR ROLL of DONORS

(R-L) Buzz '76 and Jane Waltman with their scholarship recipient, Kevin Carnes '08.

"As an alum, I was very interested to learn every single alumni contribution made to Bryant University, even just \$25 a year, counts to our overall alumni participation rate which is a critical factor used to establish our national ranking. We really need to get the word out as it not only helps Bryant but it also really increases the value of all of our Bryant degrees."

HOMECOMING/REUNION 2006

Recent 2006 graduates came back for their first Homecoming and Reunion as alumni. **President and Mrs. Machtley** stopped by to join the fun.

Tom Burke '61 and his wife traveled from Ohio to attend the Alumni Leadership Retreat on Homecoming/Reunion Weekend. Above, Tom discusses issues with **Mike Oliveri '08**, the Bryant University Student Alumni Association president.

Everyone enjoyed playing casino games under the alumni tent in the evening. Lots of great prizes were raffled off, and they didn't even have to use their own money.

Left to right: Allison (Braun) Covington '94, Jennifer (Popper) Meyers '95, and Lynn (Cuzzi) Pearson '94.

Members of the alumni Ultimate Frisbee team get ready to play the current student team. The alumni team won 21 -19!

Chi Gamma Iota

"In the July 2006 Alumni Bulletin, that I just received, there is a notable omission in the "Greek Life at Bryant" article. Chi Gamma Iota was one of the most active fraternities when I attended," writes former president Tony Neves '51. We apologize for this omission, Mr. Neves, and to the many brothers who were members of Chi Gamma Iota from its start in 1947 when it was founded by a group of ex-GIs from World War II. In 1968, as Bryant's fraternities began to merge with national organizations, Chi Gamma Iota became a chapter of Delta Sigma Phi.
